To: Mr. Primož Šporar, President of the Management Board

Object: membership application acceptance

Dear Mr. Šporar,

I am pleased to inform you that your application for membership in FEBEA has been successfully evaluated by the Board of Directors during the meeting that took place in Brussels on the 07th of April 2014, and the same Board decided to accept “Sklad 05 – ustanova za družbene naložbe” as “Associate member” of FEBEA, according to chapter 2 of our Internal Regulation.

This decision was then ratified by our General Meeting on the 13th of May 2014.

Therefore, “Sklad 05 – ustanova za družbene naložbe” is now an “Associate member” of FEBEA, and will be gradually involved in all activities carried out by the Federation.

I am sure this is the beginning of a strong cooperation.

Yours sincerely,

Fabio Salviato
FEBEA
Chairman
